## CAPT. STONE AIMING HIGH.

Announces That He Will Be Candidate For Governor.

## EVERYBODY IS GETTING SORE.

Beautiful State of Affairs Among Free Silver Leaders.

## BLACKBURN LOSING HIS FRIENDS.

Louisville, Ky., June 5.—Ex-Congressman W. J. Stone, of Lyon county, was in the city yesterday and announced to his friends that he would be in the race for Democratic nomination for Governor in 1899. He says he will go in the light to win.

## POLITICIANS SORE.

Democratic Harmony Getting Strained.

The "Courier-Journal" of this morning says: Capt. Stone is very sore at Mr. P. W. Harkin, whom he accuses of working up a business enterprise among the silver men of the state more for his own private benefit than in the interest of the party of which he is a member. Capt. Stone told one gentleman that Mr. Harkin had worked up the scheme in order to push himself before the public in the interest of his candidacy for governor that being the only means he had of advancing his state.

This is only one of many evidences of discord in the silver ranks. State Senator C. W. Houston is very sore at several state politicians, and he has reason to be so, for he was fought very hard after having been tendered the permanent chairmanship of the state convention. The men against whom Mr. Houston is most bitter are National Committeeman Woodson and State Central Committeeman John L. Dunlap, whom he believes to be responsible for working up the fight against him. Furthermore, there is no doubt about the strained relations between Mr. Houston and Mr. Blackburn. The latter has not stood by Mr. Houston, as the latter desired, for the fight he made for Blackburn in the race for the United States senate. Blackburn declined to help Houston in his ambition to go to congress last year, and would take no hand with him in the fight made against him for permanent chairmanship.

Mr. J. D. Watson, late candidate for clerk of the court of appeals, also may be sore when he finds out that his friends only made a pretense at winning a victory for him.

A first district silver man of prominence told the "Courier-Journal's" correspondent the other day before the convention that the politicians of that district did not want Mr. Watson to win, as it would interfere with the ambition of Mr. Gus Conter, who expects to become a candidate for a state office. Mr. Watson and Mr. Conter live in the same county, Graves.

Commencement at Princeton, Princeton, Ky., June 4.—The sixteenth annual commencement exercises of Princeton College Institute closed last night. The graduates were: Misses Jessie Grubbs, Bessie Dudley, Margaret Richmond, and Bessie Richmond; Messrs. Walter Martin and Robert Martin. Miss Dudley was awarded the prize in Latin, a gold medal; Miss Grubbs, the valedictorian, received a gold medal, offered by the Alumni Association for general proficiency, and Miss Bessie Richmond, salutatorian, got a prize in mathematics.

Let of Appointments. Washington, June 5.—A big batch of appointments was made this afternoon, probably 175. A. D. Barlow gets the consulship to Mexico; H. S. Swannell to the consulship to Nicaragua; H. H. Morgan consul to Switzerland; Wm. Canada consul to Vera Cruz, also twenty presidential postmasters were named today. None of these are in Kentucky.

## THIRTY-EIGHT LOST.

By the Sinking of a French Ship.

Dieppe, June 5.—The French steamer Laberte foundered off the coast last night and thirty-eight of the crew were lost.

Planter Assassinated. Knoxville, Tenn., June 5.—Clas. Turner, a wealthy planter, living not far from this city was assassinated last night by unknown parties.

Sign a Sea Armistice. Athens, June 5.—The representatives of Greece and Turkey have signed a sea armistice.

## NEW RICHMOND

Will Temporarily Close Monday to Re-Open July 1st. The new Richmond, according to reports, will close Monday temporarily, and be re-opened July 1st under the management of Don Gilbert.

Mr. Lagomarcini will open a first-class station across the street where Miss Mary B. E. Gref's office is now located.

## A GOOD RIDDANCE.

General Weyler Has Been Recalled From Cuba.

## CAMPOS THOUGHT HIS SUCCESSOR

Last Play of the Conservatives to Retain Power.

## REFORMS MAY NOW BE INAUGURATED.

Madrid, June 5.—The Liberals have decided to recall Gen. Weyler from Cuba. His successor has not been named but it is supposed that Gen. Campos will be selected.

Madrid, June 5.—Marshal Martinez de Campos arrived here yesterday and went immediately to the palace.

Senor Sagasta, the Liberal leader, after conferring with the Queen Regent at the palace, said he had told her Majesty that the Liberals were prepared to deal with all pending questions. Public opinion continues to favor a Sagasta Cabinet.

Everyone is convinced that the main question at issue in the present crisis is the selection of a new governor of Cuba capable of convincing the people that Spain is in earnest in the matter of colonial reforms. The impression gains ground that rather than see the Liberals in office the Conservatives would consent to recall Weyler; and it is believed that Marshal Martinez Campos is willing to replace him. It is understood that Senor Sagasta informed the Queen Regent that if the Liberals came into office through the refusal to countenance foreign dictation, the recall of Weyler would be among the first steps taken.

## ANOTHER MEETING

Of Enthusiastic Local Bicycle Riders Last Night.

The wheelmen of Paducah who desire a L. A. W. club met at Elks' Hall last night to hear committee reports and decide on what they are to do. C. W. Thompson, Ed Matt, J. J. Reed, E. C. Givens, and A. C. Wahl were elected directors, and of the 120 shares of stock sixty-seven have already been subscribed. The following are stockholders:

E. C. Givens, J. R. Puryear, A. C. Wahl, W. H. Parham, Henry Burnett, C. H. Riecke, F. H. Riecke, J. B. Hobson, N. W. Van Collin, Ed Matt, L. S. Givens, O. C. Hank, O. B. Jones, H. K. Hank, F. W. Nagel, A. C. Clark, G. L. Thompson, R. M. McClure, W. J. Wilkins, Parker Chastain, W. K. Richardson, Harry Craft, E. B. Jones, J. M. Walton, Roy S. Dawson, C. W. Thompson, J. J. Reed, E. L. Stevens, S. N. Lecht, E. H. Puryear, S. A. Fowler, E. L. Atkins, John F. Bleich, P. E. Stutz, Jeff Herndon. The track committee reported that negotiations are pending with the Paducah Street Railroad for track east of La Byle Park, on this side of the road. The proposition will be ready for next Tuesday, when another meeting will be held.

## TODAY'S PRIMARY.

It Has Passed Off Thus Far Very Quietly.

The Mayoralty and Prosecuting Attorneyship the Most Interesting Contests.

The Democratic city primary is passing off quietly today, much more so than was anticipated.

The interest appears to be centered in the mayor's race between Messrs. Chas. Reed and Jas. Long, and the friends of both have worked diligently today. The prosecuting attorney's contest is also exciting. The vote polled seems to be light, up to the present time, and many predict that it will not go much over a thousand. Each side claims to have won by several hundred. Mr. Reed, at noon, sent an elegant lunch around to all the polls for the clerks and judges, and needless to say, it was appreciated.

## To California.

On account of the Y. P. S. C. E. meeting the Illinois Central Railroad Co., will on June 29th and 30th, and July 1st, 2nd and 3rd, sell one way first-class tickets to San Francisco and intermediate points, at \$24.40 from Paducah.

Stop-overs will be allowed west of Denver, Colorado Springs and El Paso, until July 9th.

Corresponding low rates will prevail east bound on specified days from July 12th to August 9th, with stop-over privileges; final limit August 15th-16th.

For further information apply to J. T. DONOVAN, C. A., Paducah, Ky. A. H. HANSON, G. P. A., Chicago, Ill.

Take the Nashville, Chattanooga and St. Louis railway for Tennessee Centennial, Nashville, \$3.85 round trip, good for seven days.

## TWO DEAD

Deplorable Plight of a Fisherman's Family.

Who Recently Moved From a Shanty Boat.

Ellen Parle, aged 10 years, and Dolph Bink, aged 1 year, both died of measles last night at 1125 South Third street.

With two corpses in the house and two or three others ill, the family, already destitute, was in a deplorable condition today.

There is a woman with six or eight children to take care of, and no one to assist her. The family recently moved off a shanty boat, and came from Illinois. The remains of the two children were buried in potter's field today.

## HUGH MULHOLLAND, JR.

Something of His Life as a Religious Leader.

Now Leading a Band of Salvationists in Pennsylvania.

Capt. Hugh Mulholland, the well known ex-postmaster of Paducah, is at present leading a band of salvationists in camp at Williamsport, Pa. He is holding himself up as a horrible example to those whom he would turn from their evil ways. A Williamsport paper devotes several columns to the publication of Mulholland's life story, as told by him, in his campaign against sin. This record is well known to Paducah people. "Politics, prosperity and social clubs" formed the combination which, Mulholland says, put him "far on the road to hell." His salvation was accomplished by a Cincinnati rescue mission, where he heard sung "Rock of Ages."

## FOUR KILLED

At a Barn Raising Near Evansville.

Falling Timber Took the Lives of Four Men.

Evansville, Ind., June 5.—A barn raising in the southern part of the county was the scene of a terrible casualty this morning. By the falling of the timbers four farmers of the neighborhood were killed. The dead are: Benben Hall, Walter Gray, Ed Clark and a colored man whose name is not given.

MURDER CASE ON TRIAL.

At Golconda—Three Are Charged With the Crime.

Dug Lightfoot and Clarence Finney, who were arrested last Thursday, brought to town and put in jail under a warrant charging them with the murder of Robert Roberts, are having their preliminary trial today, and it is expected that a very large number of people from Pope, Saline and Hamilton counties will be present to witness the trial, and as there are many witnesses it will probably last for a couple of days. Sheriff Morse went to Saline county to subpoena several witnesses, Dr. John Lewis, of Carrier Mills, being among the number.

McNew, whose incarceration was made last week and whose trial was to have been held Monday, was not ready at the time and the trial was postponed. He claims that he can prove an alibi, and does not seem to fear any disclosures. As stated last week, he is not thought to be guilty.

## BULLET NOT LOCATED.

J. D. Whalen Returns Home With a Bilateral Face.

Mr. J. D. Whalen, a railroad man, of Brooklyn, Ill., returned home today, after two unsuccessful attempts to locate a bullet in his head with the X-ray.

He was accidentally shot at Du Quoin, Ill., in 1888, by one of two men who were engaged in a difficulty and the bullet could never be located. He came to Paducah during the medical convention and was exposed to the ray for thirty-six minutes the first time, and over an hour the next. The entire left side of his face is a complete blister.

## INFURIATED CITIZENS.

Attempt to Mob the Captain of the Troops.

## IN THE RECENT URBANA RIOT.

Are Now Looking For the Body of the Lynched Negro.

## WILL TAKE VENGEANCE BY BURNING IT.

Urbana, O., June 5.—The mob is now searching for the body of the lynched negro in order to burn it. The body has been secretly buried. The city is in a tremendous ferment of excitement. The escape of the sheriff and of Capt. Leonard has infuriated the mob. It is not thought, however, that there will be any more trouble.

Urbana, O., June 5.—Capt. Leonard, the commander of the troops that killed the citizens yesterday came near being mobbed here this morning while waiting at the depot for a train. A mob had gathered and had sworn to take vengeance for the dead citizens. The friends of the Captain spirited him away and he is now in hiding.

Urbana, O., June 5.—In the riot here at 2:30 o'clock yesterday morning four lives were lost and ten citizens were wounded. At 7:30 a. m. Charles Mitchell, colored, the cause of all the trouble, was taken from the jail by infuriated citizens and lynched.

Including the brute, Mitchell, there are five dead and ten wounded. All of the victims were innocent citizens, who were spectators at the scene of excitement, except Mitchell. In addition to this list, it is feared that Mrs. Eliza Ganner, who was criminally assaulted by the negro, will not recover, and several of the wounded are in a serious condition. Besides the list of casualties there is such intense feeling against some of the officials that it will not be wiped out in the present generation, and further complications are apprehended. While the past two nights and the past two days witnessed scenes of lawlessness and bloodshed, yet the feeling at no time has been as intense as it is now.

The body of Mitchell was exposed all day in a rough coffin, and it intensified the feeling among the masses who witnessed it. The bodies of the citizens who were killed were tenderly cared for, and their funerals on Sunday will tend to keep alive the bitter feeling. The wounded are being cared for at their homes. Several of them are crippled for life, and will be living reminders of the trouble.

One week ago today Mrs. Ganner was criminally assaulted in daylight at her home in this city, near the court house. The brute accomplished his fiendish purpose and Mrs. Ganner was prostrated. She felt that it was a disgrace and requested her son to announce that she was assaulted for robbery. It was given out that Mitchell attempted to force her to sign a check for \$500.

The negro was first held for robbery, but on last Wednesday he was arraigned for criminal assault. Mrs. Ganner was unable to appear in court and the hearing was held at her home. As Mitchell entered her room she raised up and exclaimed: "The brute! Hang him! How dare you face me again, you brute!" and Mitchell was hung yesterday in full view of Mrs. Ganner's residence, which overlooks the court house and jail yards.

With threatening scenes on the streets and about the public square all night it was 1:30 o'clock a. m. when the first attack of the citizens was made on the jail and the military began firing. Over twenty volleys were poured into the crowd, leaving four killed and ten wounded.

## HABEAS CORPUS CASES.

They Will Promptly be Quashed at Eddyville.

The habeas corpus cases of thirty or more convicts at Eddyville will amount to naught, according to several people from there today. The proper papers were not filed at the branch prison, it seems, when a number of prisoners were transferred there from Frankfort. They found it out, and are seeking, through a mere technicality, to escape the punishment they justly deserve. They will not succeed.

Five prisoners who were discharged today came in at noon, and two stopped off here.

Golconda, the most picturesque town on the Ohio river between Paducah and Louisville will be visited tomorrow by the Old Fellows, several orders of this city, tomorrow being memorial day of that order. The Dick Fowler has been engaged to make the trip, leaving the wharf at 8 a. m. Sunday morning. 50c round trip. Boat will arrive on return trip at 8 p. m. Fill your baskets and take your wives and sweethearts.

Second Baptist Church Revival. There was another interesting service at the Second Baptist church last night, several requests for prayer, and two additions to the church. Preaching again this evening. Come and bring your friends.

## NEWS NOTES.

Governor Bradley yesterday offered \$200 each for the conviction of the unknown toll-gate raiders of Harrison county.

The Republican Senators at Washington have requested an investigation of the newspaper charges that the sugar trust has controlled the formation of the tariff bill.

The Louisville Tobacco Warehouse Company yesterday filed amended articles with the Secretary of State reducing its capital stock \$150,000. It was originally \$180,000 and is now \$350,000.

The Evansville Furnace Company will build two additional furnaces at Evansville this summer with a daily capacity of 160 tons each, and when completed the old furnace now in question will be overhauled and repaired.

Senator Hanna, the chairman of the Republican national committee, has authorized and explicit denial of the recently published statement that funds were contributed to the campaign last fall upon any agreement looking to the passage of the railway pooling bill.

The Republicans in the Senate are pushing the tariff bill at the greatest possible speed. They are occupying no time in its consideration except to answer the criticisms from the Democratic side, and if it fails to pass during the month of June, the fault will rest with the Democrats.

The continued fall in the price of silver has made itself felt even in China. China took only one-tenth as much silver this year as she absorbed during the corresponding period of last year and it is apparent that she is preparing to fall in line with other nations in the adoption of the gold standard.

The big record of testimony in the case of the petitioners asking for a court-martial of Capt. Gaines has not been completed. Attorney Gay Buzzes, for the petitioners, said if the court martial was denied by the military court the case would be appealed to the Governor. If this was granted, they would ask a mandamus of the civil courts.

**WRITTEN AT RANDOM.**

The drummer stood out in front of the hotel with his hands in his pockets, hilly smoking a cigar. A group of fellow travelers sat near by, sympathetically scrutinizing the girls as they tripped past. The colored hotel porter appeared in the doorway, and with an obsequious smile greeted the drummer who had his hands in his pockets.

"Say, Abe," addressed the drummer, "do you believe in hypnotism?" "Holy holly hucks!" replied the porter, "I nebba b'lieved no man, bruck of white, end do dat tug tow me."

"You don't believe in hypnotism— that science that has set the whole world crazy and made Trilby sing? Why, Abe, they told me you were an intelligent darkey!"

"Boss, I see so 'way folt tow dis 'pint yo', but I see the most igno'nt nig-gah yo' ebba seed while it comes tow dat same fig, boss. No libin man kane hypu'tize me—no one. I see too too much reschusion boss, too much concentration ob mental constance, an' dat's de reason, I guess."

Abe looked around to see the effects of his speech on the audience. The drummer turned a moment and when he resumed his attitude facing Abe, the latter exclaimed:

"Say, Mista Johnnie, didn't you had on a red checked shirt a minute ago?"

"No, Abe, I guess not."

"Well, I see 'sho' yo did. I seed it plain ez day."

"No, I've had on this black dotted shirt all day."

"Why, man, it wa'n't black at all jes' now. It wa' green!" and Abe began to get puzzled.

"An' huss, now it ain't white! I'll clah 't' green! I nebba seed a man's shirt change so."

"Why, my shirt ain't white. White shirts are never worn now. They are out of style, and you know we drummers go in a good deal for style."

"Hit wa' white jes' now, but hit's green agin!" he passed his hand over his eyes to brush the cob webs away.

"Abe, you must get your glins polished, as the saying is. My shirt has been the same color all night. It's white with black dots on it, and I can prove it by the crowd."

He turned to the group of drummers, who had naturally become amused at the conversation, and sure enough, it was white with black dots on it.

Another spirited argument followed about the color of the shirt, and finally the drummer smiled and ventured:

"I'll tell you the truth, Abe, you're hypnotized. I just wanted to see if I couldn't get you, and I did it. I've hypnotized you."

"Well fo' God sake Mista Johnnie unhypu'tize me rat quick. Ef I'd go home now I wouldn't know de table cloth frum de ca'pet, and couldn't tell whether my own chil-lin an' black of white!"

The drummer made a few mystifying movements before the darkey's face and the shirt resumed their color again. After a while the drummer took off one of those reversible shirt-fronts. They are circular with four sections of different patterns, which fasten on a man's shirt front by one stud, and can be turned so a different section is presented to view in the twinkling of an eye. Abe believes yet, however, that he was hypnotized.

Derives Immediate, Lasting Benefit  
From Paine's Celery Compound.

Few professional men have had the ordered, nervous system follows the use of Paine's celery compound. It dispels harmful humors from the blood, and increases its volume and at the same time its nourishing capacity. The power of Paine's celery compound over dyspepsia, skin disease, headaches, kidney derangement and other disorders, is unquestioned by the most competent authorities.

Don't suffer from headaches, despondent spells, melancholia or any form of depression that comes from indigestion or liver disorder. Trust Paine's celery compound. You will not be the first person, nor the second, nor the hundredth, nor the thousandth who has permanently and speedily cured of the same trouble.

The nervous system when deranged is like a clock without a balance wheel that goes too fast and strikes every few minutes. The nerves need to be regulated or they quickly "run down" just as a clock would do. The regular, unobstructed circulation of the blood means that it is working in a healthy manner. Palpitation and throbbing point to a dangerous lack of nerve force, that sooner or later will lead to fatal heart failure.

At the first indication of deficient nerve force, be it heart trouble or nervousness, Paine's celery compound should be used to supply the needed vigor, build up the waning vitality, drive out disease and guard against future mischief.

night said, "Yes, times have changed wonderfully since I was a boy. I can remember when all this country down here was called Calhoun county. There was then but one railroad in the state and once one of the neighbors went to Frankfort and rode on it from Louisville to that place. When he got back all the neighbors met at his house and had him explain how a train looked, how it worked and how fast it went."

"And my father used to have the only map—then—in Southwest Kentucky. When the 'gold fever' broke out in '49, and everybody was going to California, the people far and near on Sunday just flocked to my father's and pored over that map all day, finding routes to the gold fields, and looking them on the map. To start for the gold fields meant a six months' journey across the continent, for there were no railroads beyond the Missouri. I've seen many a man tell his wife and family goodbye and start for the gold fields, never to return. Now you can go out there and look in such a short time that you never will be even missed."

"What gear do you ride?" is the latest slang expression. It was coined by Capt. Anson, of the Chicago baseball club, and promises to meet with great favor. Just before yesterday's game was called a man, who confessed that he was a baseball crank, stepped up to Capt. Anson and told him how to win the championship.

"What you ought to do," he said, "is to put Calhoun in center field and let Lange hold down third base. Even if it is a good pitcher, he ought to be given a show in the box. Then, if I were you, I'd change Ryan to short-stop and put McCormick back in the box. Now, take my advice, and I'll bet you a new hat you'll win the pennant."

When the man got through talking, Capt. Anson scrutinized him closely and finally ejaculated in a tone of disgust:

"Say, what gear do you ride?"

The expression found favor with those who heard it, and before the end of the game had become popular.—Chicago Times-Herald.
